**MAKING
A LIST**

I DON'T KNOW about you, but the thought of Christmas (and more importantly the presents I've gotta start buying) is starting to make me sweat. My mind goes blank with thoughts of finding perfect gifts so, to take away the stress for all of you out there who are just like me, we've put together an eight-page spread of some seriously fab gift ideas (see pages 80 to 87). We've also splashed some sizzling summer fashions from hot Aussie designers on our pages, but you might want to knock over the Christmas shopping before you splurge in case you blow the budget!

Cheers, *Tracy*
