Sunday marks the 100th anniversary of Father's Day, so let's make sure we really let our dads know just how special they are to us. To help you show him just how much you appreciate his love and care, I've found a selection of gifts for dads. There are things for the sporty dad, the outdoor dad, the culinary dad and all the dads in between.

## KEEP IT CLASSIC

SOME dads are more traditional when it comes to style and taste. For the more classical dad, Strandbags has your Father's Day presents covered.

Spoil your dad with the Enzo Rossi Tahiti Messenger satchel (\$199). The washed leather is soft but strong for carrying around Dad's business needs and an external pocket on the side for his phone allows for ultimate convenience. The shoulder strap is also adjustable.

If Dad's business bag is fine, perhaps a new wallet is just the ticket. The Valent Simoni Stripes Wallet is available for \$44.99. Its design is slim and perfect for his pocket, while the textured detailing on the front brings a fresh new element to the design. The wallet hold 11 cards and has a large notes section. **For store locations, visit [www.strandbags.com.au](http://www.strandbags.com.au).**

## TREAT YOUR DAD

TREAT your dad to a technological first - a Kenneth Cole touch-screen watch.

Launched in New York last May and now available in Australia, this innovative design merges fashion and technology, allowing the wearer to interact with time at the touch of a finger. Functions include 32-city world time, an alarm, stopwatch and light-up screen. A great gift for dads who love gadgets.

**Kenneth Cole New York touch-screen watches retail from \$279-\$379 and are available at David Jones, Myer, Angus & Coote and selected jewellery stores.**

## KING FOR A DAY

*Well, it's one for the money, two for the show, three to get ready, now go, cat, go! But don't you step on my blue suede shoes. You can do anything but lay off my blue suede shoes...*

**MAKE** Dad feel dad like a king with blue suede shoes that would have been the envy of Elvis. The groovy new Dallas shoes (\$130) are from Puma's Archive collection and celebrate its most popular fabric - suede. Also available are Puma's suede-like Graphic Tee (\$50). **For stockists phone 1800 811 511**

## HOT IN THE KITCHEN

WHETHER your dad is a culinary master or a barbecuing disaster, if he's got a passion for cooking then these aprons could well be the gift. New to Annabel Trends are the Hot Daddy and King of the Barbie screen-printed aprons.

**Buy online at [www.annabeltrends.com](http://www.annabeltrends.com) or phone 5593 4755 for your local stockist.**

## SALUTE THE SUN

I HAVE found the ideal gifts for dads just like mine, who love to be outdoors. SunnyLIFE beach and outdoor living products are just the ticket for Father's Day. Check out the Beach Soccer Ball (\$29.95), Beach Cricket Set (\$49.95) or Hayman Towel (\$69.95). Alternatively, he might enjoy the Wine Cooler Bag (\$24.95) or Beach Sounds system (\$49.95).
