

spring CLEAN

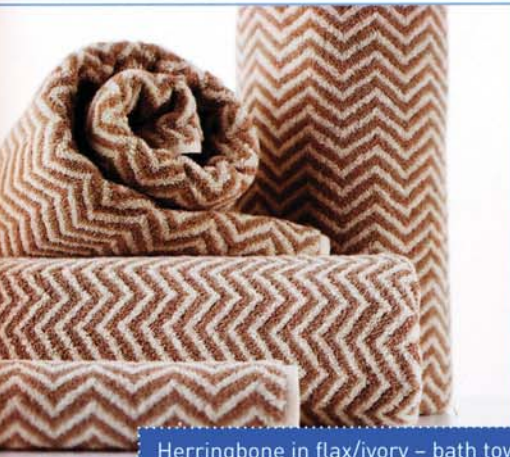

Bring an architectural palette to your bathroom with these graphic, textured towels designed by Katarina Bijlsma for the Cool Galah Towel Collection. For a stylish statement use white on white or black on white or, if an earthy palette is more to your liking, mix and match your patterns using circles, herringbone, stripes and tweed for some textural diversity. Distributed by Linen & Moore (visit linenmoore.com.au for list of Queensland stockists). Or purchase online at www.coolgalah.com.au
