

LIVE FROM THE SHOW: SUNNYLIFE BY SHINE GROUP

You may know SunnyLIFE for their lovely beach gear and homewares, but you'll be delighted to discover they've just launched a fresh new fashion range at Life Instyle Sydney 2011.

Bringing on board design maven Elise Miller (co-founder Elise Caarels) to produce the range, the Summer 2011 fashion collection features bags, kaftans, headwear and footwear. Leather, straw, canvas and cotton works across the pieces.

Beautiful, functional and thoughtful designs combined with the highest quality fabrics, hardware and trims have fashioned a range that will appeal to the casually chic.
