

Woven from Sunloom polyethylene fibres to give the appearance of traditional rattan, the Hamptons Modular sofa and Igloo sofa (right) by designer Roberti are incredibly resistant to the elements, including UV light as well as high temperatures. Available from **Fanuli Furniture**.

Barcelona is an outdoor armchair inspired by the classic Mies van der Rohe Barcelona. Raffaella Mangiarotti and Matteo Bazicalupo of **deepdesign** have reviewed the armchair's details, from the profiles of the highly elastic metal frame to the capitonné finish without buttons, thus lending it a modern and young look.

Add some colour to your outdoor room with these **SunnyLIFE** outdoor cushions. From top to bottom: Esperance throw cushion in Coraïet/Turquoise, Hayman throw cushion in Indigo, Byron throw cushion and Balmain floor cushion.

From **Cosh Living**, the Forum collection by Tribù is a practical design composed using top-quality materials for long life including powder-coated aluminium. The four lounges are well designed, low maintenance and elegant in their simplicity, available in black, white or stone tiling. Forum is robust and timeless, assured to provide comfortable poolside entertaining.

From **Wintons Teak**, the Allure Set is a Duke stainless-steel table with two Abacus stainless-steel backless bench seats. The interplay of stainless steel and timber provides for endless viewing angles, making this simple object ever more interesting.
