NATURE'S BENEFITS

Synergy Spirulina is a freshwater plant with more than 60 per cent plant protein, essential vitamins, minerals and enzymes. In fact, Spirulina contains more than 100 micronutrients in a natural, concentrated, easily digested form. Spirulina can be used as a nutritional gap-fill for dietary deficiencies, plus you'll gain energy, lose weight and boost your immunity. See synergynatural.com or call 1300 009 005 for more info.

CRIMINALLY SMOOTH

Your best-ever legs are now just a spray away with new Veet Spray-On Hair Removal Cream. Simply spray a thin, even layer of cream directly onto your skin, wait for a few minutes and then remove using the spatula provided. No mess, no cuts, no fuss - just perfectly smooth skin for longer. Visit veet.com.au for more product information.

BECAUSE IT'S FUN TO DRIVE

Sporty and stylish, the new-look Corolla surpasses all expectations. With advanced features, dynamic performance and maximum safety, it's little wonder that Corolla is the world's most popular small car. Check out corolla.com.au for more info.

GO NATURAL

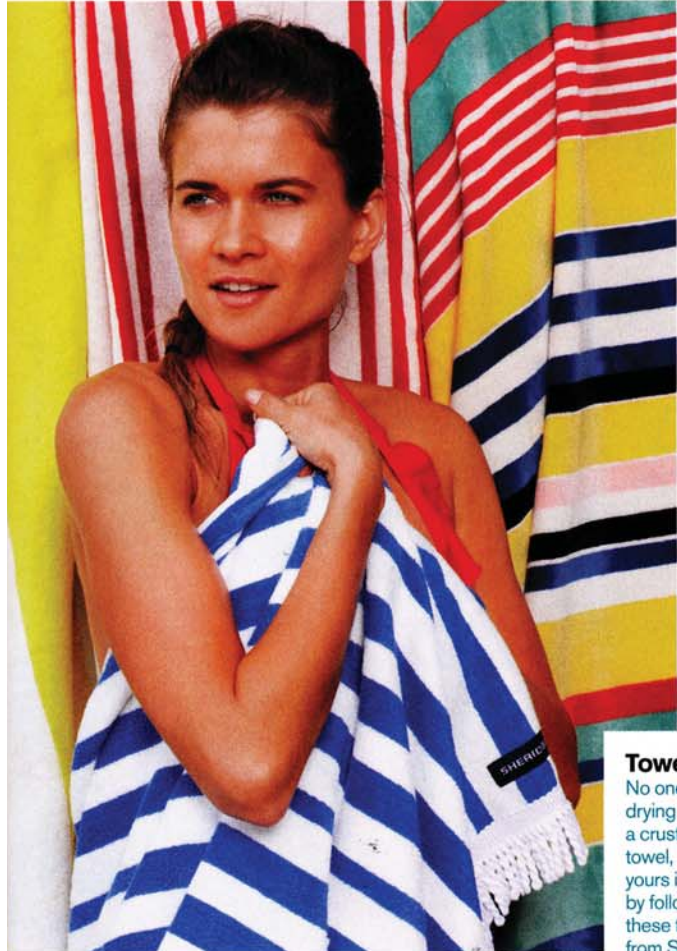

Be Natural Trail Bars are a high-fibre snack made from five different whole grains. The best bit? They have no artificial colours, flavours or preservatives. Dig in!

Take a seat Enjoy the scenery and avoid getting sand where the sun don't shine from the comfort of a portable chair.

Towel talk

No one enjoys drying off with a crusty old towel, so keep yours in top nick by following these tips from Sheridan general manager Paul Gould:

"Wash in warm water using a eucalyptus wool wash. This will remove body oils and general build-up, leaving your towels to absorb at full capacity and colour to last."
