Meet Claudia! She's 11, likes playing sports (her fave is netball and touch footy) and she can hip hop dance!

I loved going snorkeling on the Great Barrier Reef! It was so cool.

BLOGGER'S LETTER

Recently I went on a holiday to Port Douglas in Queensland and did lots of adventure-type activities like jungle surfing, visiting a wildlife habitat and holding a crocodile! But the highlight of the holiday was snorkeling in the Great Barrier Reef. Swimming amongst all the colourful fish and beautiful coral was unbelievable. I'll never forget it!

OTHER HIGHLIGHTS:

- Last month my netball team won the grand final. I am in the U11s and we won 29-5! All my family came to cheer us along. Our coach, Jo was great. She helped all the players to play their best throughout the season. Win, lose or draw... just want us to play our best!
- I went to the movies and saw *Fame* and *Up!* I loved both the flicks. I rate them: ★★★★★
