

What's new IN THE KITCHEN?

Have the coolest kitchen on the block with these clever products.

Compiled by Zoe Liddy

What a scoop!

Looking for functional utensils with a cool twist? Convenience and style are brought together in Joseph Joseph's groovy hand-held colander, which scoops directly from the pot. Available in red, green, white and grey from Independence Studios at www.isgift.com

Accessorize me

Look the part of the stylish chef with this oven mitt from SunnyLIFE. Made from high-quality 100 per cent cotton, the gentle pastel design is sure to freshen up your kitchen's colour scheme. Splice Oven Mitt \$14.95.

Environmentally cool

Using a more environmentally friendly refrigerant and with superior energy efficiency, the Electrolux Electronic Stainless-steel Top and Bottom Mount fridge is an intelligent design for the contemporary kitchen. It also features mark-resistant stainless-steel doors, sleek full-length handles and a stylish control-panel. It's \$2109.
