KOOL KAFTANS

Need a cover-up for your cossie? It doesn't have to be that same old baggy shirt. Here are some alternatives to keep you looking fabulous poolside.

▶ Seafolly white shirt kaftan \$94.95

The IT List

POOLSIDE glamour this summer is all about putting on the ritz. Kaftans are the way to go, but it is the way you style yours that counts. Turquoise jewellery, such as these Samantha Wills earrings, will be an odds-on favourite and their chunkiness makes any kaftan stand out.

Add flair with gold metallics such as the Ram's Head bangle while the Bulgari clutch—automatically lifts the glamour stakes.

But no pool party soirée would be complete without Roberto Cavalli and these turquoise and leopard print heels are hard to beat

▶ Roberto Cavalli gold heels \$1835 from Miss Chic boutique

▶ Ram's Head bangle \$195, from the Metropolitan Museum of Art Store

▶ Isharya turquoise cuff \$295 from Frock Shop

▶ Bulgari art deco beaded and embroidered satin clutch \$7550

▶ Samantha Wills Bardot earrings \$198

▶ Samantha Wills 'Chateau' necklace in turquoise \$160
