The list: 5 outdoor chairs

1. Nisse folding chair

Ideal for extra party seating, this sturdy yet lightweight chair has a slim profile when folded, for easy storage. The vibrant colour adds to a festive ambience.

2. Classic Stripe director's chair

A distinctive design that works as well in courtyards as it does poolside. Smart stripes bring the look bang up to date.

3. K-Baby stool

Contemporary outdoor rooms deserve a striking seating solution. Stored flat,

this sculptural stool simply unfolds like a fan when required.

4. Basic deck chair

Best for a French provincial-style garden, this deck chair evokes romantic getaways. Set in a quiet corner of the garden, the recliner is the perfect partner for a quiet afternoon.

5. Anna folding chair

Beach-side living calls for a casual look and a chair that's easy to care for. This colourful seat has a fun retro feel, wipes clean, and can withstand all weathers.
