➤ **TIM OLSEN GALLERY'S** online gift registry. Catering for weddings and special occasions, the registry includes major contemporary works by leading artists from the Tim Olsen Gallery, and works on paper from the Tim Olsen Gallery Annex. Tim Olsen created the registry as he believes the trend is "to get wedding guests to contribute to a major gift that can become a part of the couple's everyday lives, without the monotony of having to toast bread with it". For more see www.timolsengallery.com.
